

CENTRAL BOARD MINUTES
March 13, 1945

The meeting was called to order and the minutes of the March 6 meeting were read and approved.

Plans for Aber Day must be started immediately. A leader for the day's activities must be chosen so it was suggested that the members of the board keep this in mind and be prepared to discuss this matter at the next meeting.

Mr. Hertler has submitted a list of repairs needed for the tennis courts. Mr. Swearingen has misplaced the list but said the necessary repairs and materials would be expensive and he will try to have an estimate of the cost for us soon.

Bakke said that last year the Country Club charged \$9.00 for a person to use the golf course during spring quarter. She will see Mr. Barnett and find out what arrangements can be made to enable the students to use the course during the spring.

A special meeting will be held Monday, March 19.

Meeting adjourned.
